

Welcome to your Y!

The first thing I noticed when I moved to this area was how willing people were to serve. I believe quality of life can be measured through giving. When people of a community are willing to give their time, talent, or treasure you can create a very special place to live.

The Tri-State Family YMCA is blessed to be located in 2 wonderful communities and we are even more fortunate to serve an even larger area. We are so much more than two buildings, our association also has 8 afterschool sites, multiple program areas, and we can be seen throughout the community serving in many different capacities.

Through Social Responsibility, Healthy Living, and Youth Development we hope to be service to you and your family. I would like to invite you into one of our Y centers in either Neosho, MO or Grove, OK to start or continue you and your family healthy living journey.

Finally, I would like to say thank you to all of our volunteers that guide us in our serving. From board members to program volunteers thank you for all you do!

With you in your Journey,

Benjamin Coffey

CEO, Tri-State Family YMCA
